

# HOW TO: SALESFORCE.ORG:

## Import Data into Nonprofit Success Pack (NPSP)

### Add client and donor data to Salesforce quickly.

This Accelerator is designed to help Nonprofit organizations import client or donor data into Salesforce with the Nonprofit Success Pack. A certified specialist will show you how the import process works, give you a chance to try the import tool, and teach you how to troubleshoot errors. You'll also learn about additional resources for uploading data to Salesforce.

### What it can do for you.

- Help you understand the Household Account Model
- Clarify the NPSP Data Import Process
- Give you hands-on experience with the import tool
- Provide resources available for import assistance

### How It Works

A Certified Specialist will guide you through the process via three calls totaling 3 hours over 2 to 4 weeks.
