

GETTING STARTED: COMMUNITY CLOUD:

Lightning Partner Community Fast Start

Grow channel business faster with partner communities.

Want to launch a Partner Community in Lightning, but aren't sure where to start? This Accelerator pairs you with a Salesforce Specialist who'll give you an overview of Community Cloud and partner communities. You'll get insights and resources to start your own partner community quickly.

What it can do for you

- Understanding of key Community capabilities
- Gain valuable insights and resources to get started with communities
- Guidance on Community Cloud Accelerator program

How it works

A Certified Specialist will guide you through the process via two calls totaling 2 hours over 2 weeks.

Educate and Prepare

- An overview of the Community Cloud product, with a focus on Partner Communities
- Share partner community success stories

Outcomes

- Overview of Partner Community
- Discuss the latest features and capabilities with the Community Cloud platform through key use cases
- Success resources and recommendations to get started with communities

ADDITIONAL INFORMATION

Premier or Signature

Time you will spend on this Accelerator:
2 hours

GOAL

Achieve Faster ROI.

INTENDED USER

You want an overview of Partner Community, its latest features and capabilities

PREREQUISITES

- Must have Premier or Signature Success Plan.
- Looking to define or redefine your partner community cases
- Must have Sales and Service Cloud licenses
- Community enablement is not required
- A Service Leader/Executive who is engaged and committed to the session and outcome

To schedule your 1-on-1 Accelerator, visit [our Help Portal](#), or contact your account executive or success team today!
