

# REVIEW: PLATFORM:

## Feature Utilization

### Find out the health of your Salesforce org.

Get a view of the health of specific parts of your org so you can plan for larger initiatives. This Accelerator will generate a scorecard covering several adoption, utilization, and key configuration areas. If you've used Salesforce for a few years, this is a great way to get a view into what's working, and get recommendations for how to resolve specific challenges.

### What it can do for you

- Get insights on Salesforce performance
- Optimize IT and reduce technical debt

### How it works

A Certified Specialist will guide you through the process via four calls totaling 8 hours over 3 weeks:

#### Educate and Prepare

- Review Accelerator details
- Research and prepare findings

#### Outcomes

Our specialists will provide you with a high-level report that outlines:

- Overall utilization, feature adoption, and org complexity
- Recommendations and additional resources for each topic

### ADDITIONAL INFORMATION

#### Premier or Signature

Time you will spend on this Accelerator: 8 hours

#### GOAL

Minimize operating costs.

#### INTENDED USER

Your users aren't adopting even the most basic features of your mobile Salesforce tool, such as finding, managing, and using data.

#### PREREQUISITES

- Must have Premier or Signature Success Plan

To receive maximum benefit, you should

- Have mature orgs (>1 year) with multiple development teams working on it
- Committed to develop a plan to implement the recommendations provided
- Have an admin and executive sponsor committed to attend the outcomes readout

.....  
To schedule your 1-on-1 Accelerator, [visit our Help Portal](#), or contact your account executive or success team today!
