

PRIVACY NOTICE

When using this DREAMOJI application, we may access information from you and your mobile device. This use of information will be handled in accordance with our Privacy Statement available at https://www.salesforce.com/company/privacy/full_privacy.jsp. Because we understand that privacy is important to our consumers, we have prepared this Privacy Notice to highlight the information we process through this application.

WHAT INFORMATION IS ACCESSED?

If you use the application to create and send maps of your location, the application requires access to your geolocation to create those maps. The DREAMOJI application does not track text entry and cannot access any private information stored on your device.

HOW DO WE USE THE INFORMATION?

When you select a DREAMOJI sticker, it is copied to your device's local storage to enable you to paste it into your messages. Your location may be used to provide the services associated with the application, such as enabling you to send maps showing your location. This involves temporary storage of your location.

WHAT CHOICES DO YOU HAVE?

You can manage notifications by visiting the application's settings. You can control your geo-location options by visiting your mobile device's settings page.

For more information about our privacy practices, please read our full Privacy Statement available at https://www.salesforce.com/company/privacy/full_privacy.jsp.
