

## WINDforce Non-profit list

[WINDforce](#) is an employee resource group (ERG) at Salesforce. We are a community representing a Worldwide Indigenous Network of Diversity. Our work is dedicated to education, engagement, collaboration, and knowledge sharing with the aim of respecting and celebrating indigenous peoples and their cultures around the world. We aim to seek outcomes of self-determination, truth-telling, and contribution to the wider economy and technological advancement.

Here is a list of recommended Non-profit organizations that support the Indigenous community:
