

# DEVELOPER CHANNEL RESOURCES

These helpful resources offer you the tools to learn how to innovate fast and scale with confidence using the latest low-code and pro-code features of the Salesforce Platform.

Feedback is a gift! Tell us how to make events like TrailheadDX even better: [sforce.co/TDXFeedback](https://sforce.co/TDXFeedback)

Follow our Salesforce developer channels on social media and tune into the conversation using #TDX21.
