

CERTIFICATION PREPARATION FOR PARDOT CONSULTANT

OVERVIEW

Are you currently a Certified Pardot Specialist that wants to tackle the Certified Pardot Consultant certification? Our 5-day virtual instructor-led course gives you the in-depth knowledge and hands-on experience needed to consult and implement Pardot. To help you balance your working time, the class meets virtually 3 hours per day to prepare you for the Salesforce Certified Pardot Consultant Exam. You will learn how to successfully onboard new Pardot customers and get a sound understanding of implementing Pardot.

WHO SHOULD TAKE THIS COURSE?

The Salesforce Certified Pardot Consultant credential is designed for those who have experience implementing Pardot solutions in a customer-facing role. You'll need to be able to design and implement Pardot solutions that meet customers' business requirements and contribute to their long-term success.

Generally, a course participant has at least six months of hands-on experience implementing the Pardot application and associated tools and possesses the facilitation and consultative skills to gather the business requirements, design solution alternatives, and implement them to meet business needs. See more at certification.salesforce.com/pardotconsultant.

WHEN YOU COMPLETE THIS COURSE, YOU WILL BE ABLE TO:

- Be prepared to implement Pardot successfully.
- Prepare for Pardot implementation through discovery and account configuration.
- Establish marketing assets and personalization.
- Enhance Pardot usage through lead qualification and automating business practices.
- Engage and use Salesforce Engage.
- Sit for the Salesforce Pardot Consultant Certification.
