Customer 360 Data Manager Notices and License Information
Published: September 11, 2020

Services Covered
This Documentation is applicable to the services branded as Customer 360 Data Manager (the “Covered Service”).

For purposes of clarification, this documentation does not apply to those services that will be used in connection with Customer 360 Data Manager, such as Sales Cloud, Service Cloud, B2C Commerce/Commerce Cloud, Salesforce Shield, Salesforce Connect, and Einstein Analytics. Documentation for those services is available in the Trust and Compliance Documentation.

Purpose of This Documentation
This Documentation describes features, restrictions, and notices associated with any:
- information sourced from third parties or public sources and provided to users via the Covered Services;
- Covered Services functionality that allows users to interact with third-party products, services or platforms; and
- desktop and mobile device software applications provided in connection with the Covered Services.

See your Order Form(s) for additional terms that may apply to your use of the Covered Services.

Customer Data
This Documentation does not modify Salesforce’s obligations with respect to Customer Data as defined in Salesforce’s Master Subscription Agreement.

Acceptable Use and External-Facing Services Policy
The Covered Services are subject to the Acceptable Use and External-Facing Services Policy, as applicable.

Third-Party Platforms
The Covered Services may allow users to interact with third-party products, services and platforms, including Non-Salesforce.com Applications, websites, products, services and platforms operated by or on behalf of a customer of the Covered Services (collectively “Third-Party Platforms”).
- Customers must enable the Covered Services as may be required to access their Third-Party Platform accounts.
- The Covered Services may access, collect, process, and/or store information or content from Third-Party Platform accounts (including information otherwise classified as Customer Data under a customer’s agreement with Salesforce).
- Customers are solely responsible for any content their users provide to any Third-Party Platform.
- Customers are solely responsible for any information accessed by their users or any third party from any Third-Party Platform.
- Customers are solely responsible for their users’ interactions or communications with third parties through any Third-Party Platforms.
• Customers are solely responsible for any transactions relating to a separate agreement or arrangement between customers or their users and any Third-Party Platform provider or website and otherwise complying with such agreements.
• Customers are solely responsible for ensuring they have the necessary rights from any Third-Party Platform provider to enable the integration between Covered Services and the Third-Party Platform.

Interoperation with Other Services
The Covered Services may interoperat or integrate with other services provided by Salesforce or third parties. The Notices and License Information documentation for such services provided by Salesforce is available in the Trust and Compliance Documentation.

Distributed Software
Please see the Open Source section of the Trust and Compliance Documentation website for any notices required by licensors related to the Covered Services.
