

MuleSoft Automation Credits 3.0 Rate Card

A quantity of Automation Credits is included with certain Services, with the specific entitlement indicated on the Usage Details table on the Order Form for such Services. Automation Credits must be used before the Order End Date set forth in the Usage Details table on the Order Form, and no rollover will be permitted. Customer consumes Automation Credits at the applicable multiplier rate based on the Usage Type identified below.

Usage Type	Unit	Multiplier
Integration Task	Per Integration Task	2
Anypoint IDP	Per IDP page	30
MuleSoft for Flow: IDP	Per IDP page	30

Usage types and associated multipliers may be updated from time to time.

Use of any pilot features in conjunction with the Services may consume Automation Credits, to the extent expressly referenced in the applicable pilot terms agreed to by Customer for such pilot.

Additional information about usage types can be found [here](#)

Updated as of March 2026. Technical restrictions may apply.
