

SMS / MMS Messaging

Applicable to orders with Contract Start Dates on or after November 15, 2022 through April 30, 2023

A quantity of SMS/MMS Messages is included in each Corporate and Enterprise Edition or MobileConnect Add-on. Additional SMS/MMS Messages can be purchased at any time during a subscription term.

The multiplier applied to each SMS Message is determined by country destination for each individual message sent according to the table below. Multipliers are subject to change upwards or downwards at any time. Messages sent to countries not listed in the table below will be charged at a multiplier of 80. Marketing Cloud does not support all markets listed below as further explained [here](#). Supported and Unsupported markets are subject to change at any time. Additional information about SMS Messages can be found [here](#)

- Customers will be charged for all outbound, mobile terminated (MT) SMS messages, whether delivered or undelivered.
- Customers will not be charged for inbound, mobile originated (MO) SMS messages.
- Multimedia short messages (MMS) have a multiplier separate from SMS and are available in the US only.
- Multipliers suffixed with “- D” in the table are referred to as “Domestic Multipliers”. Domestic Multipliers apply only to Customers who have been approved by the carrier. Domestic Multiplier rates and eligibility are determined by the carrier and subject to change at any time at the discretion of the carrier .
