

End User License Agreement / Order Form Supplement
For Salesforce Community Page Optimizer (Developer Preview)

This is a legally binding agreement. Please read it carefully. By clicking “I Agree,” or installing or using the Salesforce Community Page Optimizer and/or any updates to such software (collectively, the “Software”) provided by salesforce.com, inc. and/or its affiliates (collectively, “Salesforce”), you either:

- Agree to the following terms in sections 1-9 on behalf of the Salesforce customer with which you are employed, affiliated or associated (“Customer”) and represent that you have authority to bind the Customer to these terms, and represent that you are an authorized User under the master subscription agreement between Salesforce and the Customer (the “Master Subscription Agreement”). All such users are “Customer Users” hereunder and this End User License Agreement constitutes an Order Form Supplement for such Customer Users. If you do not have such authority or are not an authorized User, you may only install or use the Software as a Non-Customer User.
- For all other users (each a “Non-Customer User”), agree to the terms in sections A. 1-3, and B.

B. TERMS APPLICABLE TO CUSTOMER USERS

1. THIS ORDER FORM SUPPLEMENT

This Order Form Supplement is a part of each Order Form by which the Customer ordered the Community Cloud, or a Salesforce service incorporating the Community Cloud (an "Order Form"). The Order Form and this Order Form Supplement are governed by the Master Subscription Agreement. This Order Form Supplement adjusts certain terms of the Master Subscription Agreement, solely with respect to the Software. Capitalized terms used but not defined in this Order Form Supplement have the meanings given to them in the Master Subscription Agreement.

2. THE SOFTWARE

The Software allows Community Cloud Customers to use the Software. The Software is provided by Salesforce as a component of the applicable service described in the Order Form.

The Chrome browser is a Non-Salesforce.com Application and Salesforce does not warrant or support Non-Salesforce.com Applications.

3. WHO YOU ARE CONTRACTING WITH

This Order Form Supplement is being entered into between the Salesforce entity named on the Order Form and the Customer. In this Order Form Supplement, the term "Salesforce" means that entity.

4. SOFTWARE LICENSE

The Software, including software embedded in the Software, is licensed, not sold, to the Customer by Salesforce only under the terms of the Master Subscription Agreement, the Order Form and this Order Form Supplement, and Salesforce reserves all rights not expressly granted to the Customer. The Customer or you own the media or device on which the Software is recorded or stored but Salesforce and its licensors retain ownership of the Software itself.

5. PERMITTED LICENSE USES AND RESTRICTIONS

(a) This Order Form Supplement allows you, as an authorized User under the Master Subscription Agreement, to use the Software.

(b) You may not distribute or make the Software available over a network where it could be used by multiple devices at the same time.

(c) With respect to updates to the Software that Salesforce may make available for download, this Order Form Supplement allows you to download such Software updates to update or restore the Software.

(d) Except as and only to the extent permitted by applicable law, or by licensing terms governing use of open-sourced components included with the Software, neither you nor any other Customer personnel may copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Software or Software updates, or any part thereof. Any attempt to do so is a violation of the rights of Salesforce and/or its licensors. If you or any other Customer personnel violate this restriction, you or they, and the Customer, may be subject to prosecution and damages.

(e) Neither you nor the Customer may rent, lease, lend, redistribute or sublicense the Software.

6. TERM AND TERMINATION

Salesforce may terminate this Order Form Supplement at any time upon notice to Customer with or without cause, or if any third party (including, but not limited to, Google Inc., or your network connectivity provider) restricts, prevents or ceases to authorize the installation or use of the Software. In addition, this Order Form Supplement shall terminate immediately and automatically upon any termination or expiration of the Customer's subscription to Community Cloud. Upon any such termination or expiration, the Customer (including you) shall no longer be permitted to use the Software, and shall delete or destroy all copies of the Software in its (including your) possession.

Termination of this Order Form Supplement shall not entitle the Customer to any refund, credit, or other compensation from Salesforce under the Master Subscription Agreement or any other agreement or from any third party.

7. SERVICE LEVEL AGREEMENT

Any service level agreement in effect between the Customer and Salesforce shall not apply to the Software.

C. TERMS APPLICABLE TO NON-CUSTOMER USERS

1. Neither Salesforce nor its third party providers warrant the Software will perform in accordance with any specifications, documentation, or other standards, perform in an uninterrupted capacity, be error-free or bug-free, provide complete or accurate data, nor do they make any warranties as to the results to be obtained from the use of the Software. Neither Salesforce nor its third party providers will in any way be liable to Non-Customer User or any

other entity or person for their inability to use the Software, or for any inaccuracies, errors, omissions, delays, computer viruses or other infirmity or corruption, damages, claims, liabilities or losses, regardless of cause, in or arising from the use of the Software. The Software is provided on an “as is” basis and without warranty or any technical support of any kind. No warranties, either express or implied, including but not limited to any implied warranty of merchantability, fitness for a particular purpose, title, non-infringement, or of any other type is provided hereunder.

2. You will defend Salesforce against any claim, demand, suit or proceeding made or brought against Salesforce by a third party alleging that any of your data that you upload into the Software, or your use of the Software in breach of this Agreement, infringes or misappropriates such third party’s intellectual property rights or violates applicable law (a “Claim Against Salesforce”), and will indemnify Salesforce from any damages, attorney fees and costs finally awarded against Salesforce as a result of, or for any amounts paid by Salesforce under a court-approved settlement of, a Claim Against Salesforce, provided Salesforce (a) promptly gives you written notice of the Claim Against Salesforce, (b) gives you sole control of the defense and settlement of the Claim Against Salesforce (except that you may not settle any Claim Against Salesforce unless it unconditionally releases Salesforce of all liability), and (c) gives you all reasonable assistance, at your expense.
