

Salesforce Event Group Passes Program, Individual Pass Transfer and Cancellation Terms

Last updated: April 21, 2026

The below Group Passes Program terms and Event-specific individual pass transfer and cancellation terms (“Transfer and Cancellation Terms”) are incorporated into the [Program Terms for Events](#) by reference. Salesforce will update these Group Passes Program and Transfer and Cancellation Terms from time to time as new Events open for registration. Capitalized terms used but not defined in these terms have the meanings given in the Program Terms for Events.

Group Passes Program Terms

Purchase: The Group Passes transaction must be paid in full in accordance with the applicable payment terms before any discount codes are issued to the Group Pass Representative. Acceptable payment methods for the Group Passes Program include wire transfer, check, and credit card. Payments made via wire transfer or check will require additional time for processing and discount codes will not be issued until payment has fully processed. Once payment has fully processed, the Group Representative will receive an email to the email used for purchase that includes the unique group discount code to be redeemed by each individual during Event registration up to the total number of passes purchased.

For payments initiated via wire transfer or check, you acknowledge and agree to the following:

1. **Accuracy of Information:** It is your responsibility to ensure that all wire transfer instructions are accurate and complete. Salesforce is not liable for any loss or delay resulting from incorrect or incomplete information provided by you, the sender.
2. **Processing Time:** Salesforce is not responsible for delays caused by intermediary banks, recipient institutions, or unforeseen events (e.g., holidays, system outages, etc).
3. **Third Party Fees:** Wire transfers may be subject to fees imposed by your bank. You should contact your bank to learn more.
4. **Security & Fraud Prevention:** Salesforce strongly advises verifying all payment instructions before initiating payment. Salesforce is not responsible for any losses resulting from phishing, fraud, or other unauthorized activity.

If you have any questions or concerns regarding payment via wire transfer or check please contact accounting@rainfocus.com.

Discount Code Distribution & Event Registration: By completing a Group Pass purchase, the Group Representative represents and warrants that they are (i) the authorized group representative, (ii) will make the decision of who receives the group discount code, and (iii) is responsible for distribution of the group discount code to the intended recipients. Salesforce is not responsible for distribution of group discount code(s) to individual group attendees nor for disputes arising from use of the code(s) during Event registration. The group discount code may only be used during Event registration for the total number of passes purchased during the initial group pass transaction. The Group Representative may transfer the group discount code until such time as an eligible, registered individual picks up their badge for the applicable Event at which point the discounted pass is claimed and no longer eligible for transfer. For the avoidance of doubt, the group discount code will only work during Event registration up to the total number of passes purchased during the Group Pass transaction.

Pricing & Additional Passes: To be eligible for group discount pricing a minimum of five (5) Event passes must be purchased in one transaction in accordance with the terms. For Event-specific group discount pricing see the Event website. Add-ons of less than five (5) additional Event passes will be permitted at the group discount pricing available at the time of the add on request by submitting a request in writing to the Salesforce Events Help Desk for the applicable Event. Add-ons of five (5) or more additional Event passes can be purchased through the Group Passes Program at the then available group discount pricing.

Cancellation & Restrictions: Event passes purchased via the Group Passes Program are non-refundable and cannot be combined with any other offer, discount or promotion. Any unclaimed discounted pass is also non-refundable. Multiple transactions cannot be combined to receive discounted group pricing retroactively. Such discounted group pricing is only applicable to the single group pass transaction, it is not applicable to any other charges, including but not limited to any

applicable taxes, fees, hotel accommodations, training sessions or certifications. Group Passes may not be used for Salesforce employees or officials of any [government entity or government-owned entity](#).

Individual Pass Transfer and Cancellation Terms
